Portland (OR) Chapter

Services to Youth
December 2018 Committee Report

The committee did not meet in person due to conflicts, but still made significant progress.

Links-NSBE Jr. Update:

- We are fully registered with the Links and NSBE for this school year! We will submit dues payment for the students for reimbursement.
- The Links STEM Chair will have mailed our stipend check, so please be on the lookout for that.
- Our chapter participated in the Faubion SUN Family Night. We had 3 students interested in signing up, in addition to our returning students. Special thanks to ALL the sisters that supported that event! (New interest was Jay Zee Estascia 8th Grade, Catalina Hubbard 8th Grade, and Genesis Chavez 5th Grade)
- We are still in the process of creating a Memorandum of Understanding between ourselves and Building Blocks 2 Success
- Over the course of the next few weeks, we will circulate a sign-up sheet for Links sisters to volunteer with the sessions. We will meet on Tuesdays and Thursdays at Faubion from 3:30pm to 5:00pm

Additional Request:

To help foster the relationship with BB2S, co-founder Antonio Jackson has asked us to help with his upcoming robotics competition, next Sunday at 8am at Concordia. He specifically needs help with check in and registration. We are suggesting 2 hour shifts during the day. Please contact Link Natalie if you are able to assist!

Here are the details for their FIRST LEGO League Qualifying Tournament they will be hosting:

When: Sunday, December 16th from 8:00am – 5:00pm

Where: Concordia University, Main Gym (6430 NE 27th Ave, Portland, OR 97211)

What: FIRST LEGO League (FLL) State Qualifying LEGO Robotics Tournament for students aged 9-14 years old

Next Meeting:

Our next committee meeting will be on Wednesday, December 12 via conference call at 6:30pm

Respectfully Submitted, Link Natalie Hooper
