It is approximately nearly full. The Embassy Suites and a couple other hotels are approximately 4 blocks away with rates available lower than the the general rate.

WA Vice Director Lorna has invited all WA members to contribute \$5 towards our Area Director's thank you gift to be presented during the conference. Please give your money to the Financial Secretary at the chapter meeting so our chapter check can arrive by the May 17th deadline.

Remember to seek out webinars to attend for your committees/offices. Register then attend the webinars to share the information with your committee and the entire membership. Our chapter attendance was only 38% of the presented webinars in the first quarter of 2019. It is imperative each chairperson and officer attend the webinars specific to your office and committee. If you are unable to attend then ensure a representative of your committee attends in your place. We must be represented in all informational sessions. Afterwards, share the information learned with your committee to help others grow.
